

Mail fraud alert

Mail fraud letters look real but the promises are fake.

Watch out for mail with these warning signs:

- Claims that you have won money or will win money
- Letters asking you to pay a fee to receive a prize
- Letters from psychics or offers to predict your future
- Mail that looks personalized to you from someone you don't recognize

Don't respond and don't send money. If you're not sure about a letter, show it to someone you trust.

Report scams to [FTC.gov/complaint](https://www.ftc.gov/complaint).
